

Guided Hikes

Embark on an unforgettable adventure with our Naturalist-led Guided Hikes. Experience the beauty of nature as our expert guide leads you through scenic trails to Cascade Falls. Learn about the rich history and fascinating insights of the local ecosystem across our Lakebed and Salt Lick Trail. Whether you're a seasoned hiker or a beginner, our guided hikes offer a unique opportunity to connect with the great outdoors and learn about the wonders of the natural world.

Nature Crafts

Unleash your creativity while connecting with nature at one of our Nature Craft Sessions! Join in on the fun and create your very own Pinecone Bird Feeder or build a unique Birdhouse to bring home. It doesn't matter if you're young or old, everyone is welcome to participate in these fun-filled activities.

Bird-watching

Explore the wonders of bird watching with our Naturalist. Mountain Lake is home to a variety of high-elevation bird species, including the Northern Saw-whet Owl, Yellow-bellied Sapsucker, Blue-headed Vireo, and more. Don't miss the chance to spot rare birds like the Northern Goshawk and enjoy the beauty of nature on our Lake Loop Trail.

Star Gazing

Explore the wonders of our universe with Star Gazing on the Front Lawn, happening every first and third Saturday of the month throughout the Summer. Immerse yourself in the mysteries of the cosmos and create lasting memories with this unique opportunity to deepen your understanding of the universe. (Available during summer months).

Live Reptile Encounter

Embark on a journey of discovery as you delve into the intriguing world of reptiles and amphibians at Mountain Lake. Our Reptile Encounters offer an opportunity to learn more about these fascinating creatures and are designed to provide a fun and educational experience for all.
